Recommendations or suggestions for improvement

Comments and remarks from the organization's reservations or notes

NEXT STEPS

The oversight organization is responsible for planning, implementation, monitoring and corrective action plan

1 Please be sure to clearly identify the results of the evaluation (see "results" in this report).
For each "outcome" in this report, be sure to analyze the causes and planning actions to address the problem or improve your compliance with the standard / requirement.
If the action plan includes: a description of the activities you planned for each "outcome", the name of the person in charge of the implementation of the plan, and the expected implementation time.
